## Customer Reviews

Misleading. It makes you think you can download the game because it gives you the instructions on how to for each device you might have. Thought I could download the game to my Kindle but could not. Will be more careful next time .

Great WorkThis book is really helped so much.Amazing tricks with complete detailsVery good tips for cheat & hack the gamel got such finest highest score.Thanks to author and .com

I'm game colic. And I always want to install all games and play the game on my phone and on my

computer. So this install guide exactly for me, Ä really needed such a guide. Thanks for your help to me in this case :)

Was looking for instructions on getting 2nd game on my kindle but the instructions will only show directions to get first one. They say plants vs zombies 2 but it's not correct. Rest of book tells info about features and new characters in 2nd game.
