Freaky Funny Clay (Kids DIY)

Synopsis

Make super silly, gross and goofy projects with lightweight, air dry clay! With Freaky Funny Clay, you'll never say "I'm bored" again! Using super lightweight, air dry clay that's easy to find in any craft store, you will create lots of easy projects for hours of fun. Spark your creativity with some funny projects that will make you laugh and that will make your mom say "ewwww!" when she comes across your carefully hidden "rotten eggs." That's right, these projects aren't for the feint of heart. This is, after all, Freaky Funny Clay! Hey Parents! This book: Includes 20 step-by-step clay projects for children, including eyeballs, heads and bodies in a variety of shapes, easy game pieces and more. Uses inexpensive air dry clay that is widely available in a variety of colors and that won't require special tools or tons of clean up. Will give your kids ages 4-12 (or the kid in you!) hours of creative projects.

Customer Reviews

I volunteer to teach art to a small group of children. We just started working with air=dry clay and this is my Christmas present to them. I glanced through it and will order one for myself! I believe it will capture their imagination and provide useful guidance.

Love this book.
