Lovely Trigger: Tristan & Danika, Book 3

Synopsis

The Impact Tristan hit rock bottom, and no one felt the impact harder than Danika. She was forced to see, in the most brutal of ways, that love does not conquer all. Bruised, bloody, and broken, she had to walk away. The Aftermath Picking up the pieces of your life after a tragedy is a daunting prospect, and that's considering you still own all of the pieces. But what if you don't? What if someone else owns those pieces, and those pieces are a part of your soul? You dig deep and work with what you've got. That's what Danika told herself and believed, every single day, for years. Tristan and Danika's love had failed every test that life had thrown at them. She couldn't forget that, not for one second. And if those tests had been overly harsh, well, she wasn't one to wallow in self-pity. The failure was the thing she had to focus on. The failure was the lesson. She had no intention of working so hard to make it out of hell without learning that lesson well. The Reunion Over six years after the night that changed everything, Danika finds herself forced to spend the weekend constantly in Tristan's company, as they attend the wedding of two of their dearest friends. It's been long enough that she feels they can be friendly again without it destroying her peace of mind, but just a small amount of time in his presence has her remembering something she had forced herself to forget: There'd been a reason she'd gone through hell with this man, for this man, some true good to precede the bad. She shocks herself by quickly giving in to a hunger that she never imagined could still consume her. Even the best intentioned denial has a breaking point. This book is intended for readers 18 and up.

Customer Reviews

You always hope when you read a series that each book will satisfy your hunger for more. Well Lovely Trigger cured my hunger! Bad Things Book #1 Was an easy 5 stars for me. How could you not fall in love with Tristan & Danika? The chemistry, the love, the anticipation, the desire, the witty banter and of course there are no words to describe how hot the sex scenes are. I couldn't wait to see where the story was going to go. Rock Bottom #2 - No one could have prepared me for what was going to happen. I never saw it coming, as my guts bled out of my body and I cried for days over this book, there was no reprieve. I still can't talk about it without getting emotional. I was shattered and gutted and honestly I wasn't sure if I could read Lovely Trigger, I was so terrified. Lovely Trigger #3 - Well needless to say the moment it went live I was on it. My heart beating so fast that I had to catch my breath and calm down before I opened it. Without giving anything away which is so hard especially for this book. I will say R.k. Lilley's writing is simply perfection. You will need tissues because you will cry and you will laugh because Tristan and Danika's witty banter does make an appearance or two. There is so much history between these two, so much tragedy, torment, healing, forgiveness and of course love. The love is all consuming, it's desperate, it's heartbreaking and heartwarming, but you can't help but want them to end up together and as each page turns it will only make you crave more. It's that unconditional love that we all would love to have and experience. There are so many raw emotional moments in this story that you just will never forget it. This is the very reason why R.k. Lilley is my #1 favorite author.
