Intimate Issues: 21 Questions Christian Women Ask About Sex

Synopsis

Intimate Issues answers the twenty-one questions about sex most frequently asked by Christian wives, as determined by a nationwide poll of over one thousand women. Written from the perspective of two mature Christian wives and Bible teachers—“women who you’ll come to know as teachers and friends”—Intimate Issues is biblical and informative: sometimes humorous, other times practical but always honest. Through its solid teaching, warm testimonials, scriptural insights, and experts’ advice, you’ll find resolution for your questions and fears, surprising insights about God’s perspective on sex, and a variety of practical and creative ideas for enhancing your physical relationship with the husband you love. With warmth and wisdom, authors Linda Dillow and Lorraine Pintus speak woman to woman: examining the teachings of Scripture, exposing the lies of the world, and offering real hope that every woman’s marriage relationship can become all it was intended to be in God’s design. --This text refers to the Audio CD edition.

Book Information

Audible Audio Edition

Listening Length: 9 hours and 42 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Treasure Publishing

Audible.com Release Date: April 1, 2010

ASIN: B003F7R9MW

Best Sellers Rank: #68 in Books > Audible Audiobooks > Health, Mind & Body > Sexuality #849 in Books > Health, Fitness & Dieting > Sexual Health > General #1201 in Books > Audible Audiobooks > Health, Mind & Body > Family & Relationships

Customer Reviews

Okay, I'm not a woman; but my wife is, and we both read and liked this book. Here's our combined review:
Pros:
1. Easy to read - Conversational style of writing and clear points. We each read it in one sitting.
2. Adults only - Sometimes a grown-up discussion is required. This is a book for married women (and men). It is explicit and direct (without being crude) about physical sexual information. It is definitely not appropriate for girls (or boys).
3. Scriptural approach - Instead of just giving motherly advice, the authors take the Bible seriously and frequently use it as a home base to direct their thoughts. Mind you, this is not a Bible study per se'. There is plenty of 21st century, frank counseling

advice, but it is blended and based upon Biblical principles. Provides a scriptural index to locate where specific passages are mentioned - useful to Bible teachers.4. Practical - Lots of ideas for rekindling relationship, romance, plain sex and other aspects of adult relationship. These are ideas you can start this week.5. Both authors relate from personal experience - Both have personally wrestled with sexual questions and counseled many women. These personal accounts add a human dimension to the principles discussed. This isn't just another "name it and claim it" woman's book. Many personal stories are provided including tough ones where women are still struggling/praying through difficulties. This book explains their stories.6. Focuses on Song of Solomon - The erotic portions of the Song indicate an expressive, sensuous, even adventurous attitude in romantic sexuality. These authors aren't the first to recognize its racy sections - which has led the church to skate around it in too many cases.

Women have questions about sex. Christian women in particular are often uncertain when determining what God's parameters for married love are. It is only right and good to examine each and every aspect of our life with the guidance of the Holy Ghost as we ask God to examine our heart and reveal any areas that may be displeasing to Him. This task can be daunting when we begin to explore the most intimate areas of our lives. Raised in homes and churches where the subject was largely taboo, or feeling uncomfortable asking questions, many women find determining God's will for their sex life a lonely, awkward road. Delving into both the mundane and the sacred, co-authors Linda Dillow and Lorraine Pintus have stepped up to the call, providing women with a guide to discovering God's glorious, joy-filled vision for marital sex. The title seems to imply a work filled with dos, don'ts and suggestions; while all these are present *Intimate Issues: Twenty-One Questions Christian Women Ask About Sex* digs much deeper into underlying thought patterns, forgiveness, sexual healing and much more. The authors are ever gentle as they encourage women to seek the scriptures for themselves, to repent and get right with God, to seek Him for healing in the places they've been so deeply wounded. Their heart is well depicted in the cover art, a cup of coffee that symbolizes a warm conversation between friends as they share openly, honestly and respectfully. I've had the opportunity to read several titles aimed for Christian women on the topic of sex, each seeking to portray the act of love in the positive, life-filled context we find expressed in the word of God.
