Japanese Easy Learning Audio Course: Learn To Speak Japanese The Easy Way With Collins

Synopsis

Divided into 12 short units, this easy-to-use language course with three audio CDs will help beginners speak with fluency and ease. Each unit introduces five key words and phrases before expanding into basic vocabulary and syntax. Practice activities, memory tips, and etiquette advice are also provided along with an accompanying 48-page color booklet that provides full transcripts from the audio discs. Ideal for travelers and the time-crunched, this is a fast and simple way to learn a new language fast. Units include: Hello; Excuse me; Where's the bar?; Over there; What would you like?; Have you got any!; Can you help me?; I want to go to!; Have you got a room?; It hurts; I want to make an appointment; and What's it like? --This text refers to the Audio CD edition.

Customer Reviews

I genuinely loved this course. I learned quite a lot granted it took me a few days of listening to the CDs, but the pace is just right and it feels natural to learn this way. Great product

This was fun and easy to do! I found myself laughing several times, as the speaker is great at tying in humor to help you to remember things, too!
