Learn In Your Car: Japanese, Level 2

Synopsis

The Learn in Your Car language series is the first system ever designed to teach a language in your car...or anywhere...without a textbook. Simple and effective, you can learn to converse in another language while driving, walking, or doing tasks around the house. And now with Learn in Your Car from audible.com™, you can turn your PC, your Rio, or any mobile device into your own personal language tutor. Each course is organized the way you learn best - by learning words and phrases - and building these into sentences and clear conversations. Arrange hotel accommodations, order in restaurants, change money, and feel more at home next time you travel! The Learn in Your Car language series is: Easy to use without a textbook Prepared by dialect-free professionals Available in levels for students of all abilities Designed to teach grammar basics through recorded examples Level 1 offers an introduction to key words, numbers, phrases, sentence structure, and basic grammar. Level 2 teaches more challenging vocabulary, additional grammar, and targeted sentences designed to generate confidence in your ability to comprehend and converse. Level 3 presents expanded vocabulary, advanced grammar, and more detailed sentences to extend your conversational skills.

Customer Reviews

Really enjoyed this tape series. Have studied in school for years and have lived in Japan for a year and am always looking for (inexpensive) ways to keep up my Japanese. The format and content was just right. Also learned new vocabulary, as well. Level 3 was even better for me but this was also good.
