Alice In Wonderland

Synopsis

Alice begins her fantastic journey by following an unprecedented White Rabbit with a pocket watch. While in the topsy turvy world of Wonderland, Alice takes advice from a caterpillar and attends a mad tea party. She meets the Mock Turtle and the Gryphon, and participates in a ludicrous courtroom scene. Each character has its own charming voice, as B. J. Harrison delivers one of his most whimsical performances.

Book Information

Audible Audio Edition

Listening Length: 2 hours and 42 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: B.J. Harrison

Audible.com Release Date: March 31, 2011

Best Sellers Rank: #14 in Books > Audible Audiobooks > Children's Books > Classics #57 in Books > Audible Audiobooks > Fiction & Literature > Classics #121 in Books > Audible Audiobooks > Children's Books > Fiction

Customer Reviews

My first exposure to Lewis Carroll's classic children's story was through the 1951 Disney film adaptation "Alice in Wonderland," which I watched repeatedly as a child. The creative quality of the story never failed to fascinate me, and I kept going back despite my deep-rooted terror of the frightful Queen of Hearts, who always gave me nightmares! However, it was not until recently, as an adult, that I ever picked up the book/s upon which that film was based. In some ways I wish I had read it when I was younger, as the book certainly makes a great deal more sense than the movie does (as much sense as a story of this sort can, anyhow), but thankfully this book is unique in that it is just as enjoyable for adults as for children. The story is actually spread across two books, here contained in a single volume. "Alice's Adventures in Wonderland" was first published in 1865 and relates the events that take place after young Alice falls asleep during her lessons and dreams of following a white rabbit down a rabbit hole. Alice encounters all manner of strange creatures in her dream, and finds herself in all sorts of curious predicaments where common sense fails and the

nonsensical comes to be expected. There is no central, concrete storyline, but rather Alice moves rapidly from one bizarre situation to the next before waking once more and relating the whole adventure to her sister. The second of the two books, "Through the Looking-Glass and What Alice Found There," appeared in 1871 and is very similar in nature to the first, though having a slightly different plot. Here Alice steps through an ordinary looking-glass one day, only to find herself in a world where, if you wish to get anywhere, you must walk in the opposite direction!
