this is a great book to pick up, has the fingerings in the back of the book. goes slow at first but is good for beginners. very good choice.

I am a music teacher and I recommend this recorder book for all my new students, young and old. What a deal--you get the sheet music for 59 songs as well as a CD of what you should sound like with guitar accompaniment. You can't go wrong. You can use this with a teacher, or use it to teach yourself. You'll have fun. And you can't beat the price.
