Customer Reviews

This book had tons of new modern songs that were great to play on the piano. It has piano music, guitar chords, and words to sing with. It is fairly difficult, but it isn't anything that can't be learned.

This is NOT a method book. It has great songs, but it does not teach you how to play them. You must know how to read the music. Ex. of songs: Angel Eyes, Butterfly Kisses, Quit Playing Games, Because You Loved Me, Macarena, Star Wars(Main Theme), Valentine, That Thing You Do, I Swear, How Do I Live, You are Not Alone, (Everything I Do)I Do It For You, Kiss From a Rose, Tears In Heaven, I Say A Little Prayer, All I Wanna Do, Dreaming of You, I Believe I Can Fly... etc. 413 pages; 82 songs; paperback. I really suggest this book.
