# How To Design Your Book Cover Free: Make Your Kindle, CreateSpace, And ACX Covers In Minutes

## Synopsis

Do you need a book cover but don't want to break the bank? Do you wish you could design your own cover but don't think you can? Do you wonder if you could make a high-quality cover? Would you like to do it for free? Can you afford to keep paying high prices for low-quality covers? Is this positive for you? Do you wish you could not only create your own cover but know that you can do it quickly and free? How to Design Your Book Cover Free is a powerful design centered step-by-step explanation of how you can start today. This is a book of action and doesn't just tell you how I created my covers, but also reveals the secret to helping you also unleash your inner creativity. How to Design Your Book Cover Free is full of real-life examples of how to start with nothing and create your covers for Kindle, CreateSpace, and ACX if you only take a few minutes to learn the skills. After reading this book, I am confident you will be able to create your cover in no time and free. You can take the practical approach that I have used to produce dozens of covers. Do you wonder which free tools will make it possible to design your cover? Learn how Canva makes the design phase idiot proof. Discover how Pixabay will provide you thousands of photos to choose from that can be used free. See how Gimp removes the need for Photoshop. Be amazed at how to release your inner artist. How will you learn to use these tools quickly? See how Chris, in a simple way, goes step by step in creating an actual cover right in front of your eyes. Learn how you also can follow these same steps and create your cover too. Find out how the methods used by Chris work for anyone. You won't find long explanations, but rather to the point steps to get this job knocked out lightning fast! Do you find it difficult to learn new skills? Never wonder "what if" you could do covers yourself. Wake up every day motivated by what you can do with a little effort. Be inspired by Chris's down-to-earth examples and clear way of explaining how to create your cover. Discover the secret to making serious money with great covers you make yourself. Find out how to let go of your self-doubt and finally find the missing puzzle piece in your book publishing career. Are you also ready to start saving money and finally get high-quality covers for free? Try How to Design Your Book Cover Free today by clicking the BUY NOW button at the top right of this page! P.S. You won't regret reading this book and see the amazing creations that YOU will create in minutes today.

## Customer Reviews

I only got this book because it's free and I want something different. So basically this book will taught you how to properly design your book cover. Like the proper color and presentation of your book. You need to consider a lot of things in terms designing your book cover. I love the fact that this book caters a very raw yet full of potential business idea. I mean for me, if you're good at it you can earn from it. If you're into this topic, this book is totally for you.

This book will give you an ideas of mesmerizing book cover, this book presents some basic principles that enable an author to evaluate and design a book cover. It has a lot of samples of great book covers, a Great reference, this was very helpful and intriguing there were many book cover examples to illustrate his points, and a lot of detailed information. The writing style of this book was also quite conversational, easy to understand, and engaging. Many examples, practical instructions and helpful information.

Learning how to design a book cover can be tedious and stressful, as well as coming up with a design that represents the book's contents. However, this book made it easy to understand and learn the software, websites, and skills needed to create a free book cover. I have used Canva to design banners and coupons, didn't know that it's also that easy to use it for book covers. I plan to help out a friend with her thesis and she will be needing a design for her hardbound cover and this

book is definitely a huge help.

I really love this book. This is very helpful and easy to follow guide in making a book cover. It's apt time for me to know how to make book cover because I am about to make my book in my doctorate class. Worth the purchase of this product, this adds another skills in my behalf.

For everyone who do not have skills in designing their own book cover? Here is a guide where you can learn on how to design one. You don't need to be an expert artist. All you have to do is learn from this book and follow the instructions. The guide is so simple to use. It was written very well so that we will not be confused in it. Every page is so worth reading.

This how-to guide book is really essential for writers or someone who wants to publish or create their own book but have no budget for paying someone to design the best and most creative book cover. This is a helpful and useful book for you. Highly recommended!
