Happy Endings: The Tales Of A Meaty-Breasted Zilch

Synopsis

Jim Norton is a pervert in the truest sense of the word. The physical equivalent of a tall slug, he pays top dollar for massages with happy endings and is fascinated by shitty sitcoms and fat girls. He is also, at times, racially offensive and morally repugnant. He spares no one in his comedy -- least of all himself. Now, in this outrageous, blisteringly funny collection of essays, Norton tackles the topics that are near and dear to his heart: from public events like the legendary Voyeur Bus incident on the Opie and Anthony Show, which culminated in all involved being taken to jail, or seeking a hug from his childhood idol Gene Simmons, to deeply private moments, including a teenage Jim's embarrassing poetry-writing attempts while in rehab, and his inexpensive sexual experience with an unwashed MILF (a Monolith I'd Like to Forget). His stories are raw, searingly honest in their attention to detail, and most of all, hilarious. Filled with personal photos and nearly fifty candid and uncompromising essays, *Happy Endings* is one of a kind...and probably best read on an empty stomach. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

I bought this book for my actor-friend Robert. He needed a few laughs and distractions between doses of AZT, and needless to say, it was a complete success. Luckily he was confined to a robe...otherwise he would've busted his pants laughing. He's no longer with us, but those days reading this book were some of his happiest. Silence = Death

LLLLLLLLLLLLLLLLLLLLLLLLLLLLLLLLil jimmy is a silly goose, but a great story teller! Thats terrible, I'm sorry.

In memory of the late great James Norton I read this book under my porch with a neighbor boy after a game of monster rain. James you will be love and you will be missed. RIP

FFFFFFRRRRRUUUUUUMMMMPPPPPKIIIISSSSS

I listen to the Ramone and Frunkkkkkis show all the time and when this gentleman comes on the air I always have a good laugh! One time when discussing eating cake Jim Norton said: "Moment on the lips, lifetime on the hips!" And my chums and I all had a nice chuckle. He is also the inventor of "Cat noise thurdseey's" (Not to be confuseed with phone call Thursday's) in which listeners phone the show and give their best cat noise impersonation! It's swell! James was also heckling a hooker from his car once and before he could get away, she took off his glasses and broke them. Jimmy, nearly blind, was forced to consult a policeman for help. Also, Steve from Yellowstone never sounded so funny as when he told Marge from the "Little Animal Shelter" to clutch her chest and fall face first into a litter box!What a great read while your waiting for your warsh to finish!

Jim gives a very stern warning at the beginning of the book and it's something that really needs to be adhered to. If you are a fan of the Opie & Anthony Show & of L'il Jim Norton or just a fan of edgy self-deprecating humor, you'll love this book. I've been Ell-O-Elling from the warning on. If you're a stick in the mud, you should read this as well - you might actually do something you haven't done in awhile - laugh without worrying about your face breaking. MEOW

As any true fan of Jim Norton knows this book is a must buy, just look at these latest reviews:"It's great!!!" - Opie"It's terrific!!!" - Anthony"....." - Joel SiegelEveryone seems to love it and so do !!!! I'm going to read it again and again maybe next time I'll read it at:Barnes & Nobles on 7/11 at 6:00pm 1805 Walnut St - Philadelphia, PA 19103OR ATBookends on 7/12 at 7:00pm 232 East Ridgewood Ave - Ridgewood, NJ 07450OR ATBarnes & Nobles on 7/13 at 7:30pm 3040 M Street NW - Washington, DC 20007OR ATBorders on 7/14 at 2:00pm 2015 Walden Ave. - Cheektowaga, NY 14225OR ATBorders on 7/14 at 7:00pm 1000 Hylan Drive - Rochester, NY 14623OR ATBorders on 7/17 at 7:30pm 2817 North Clarke Street - Chicago, Il 60657It sure does sound swell, don't it? Come for the autographs and stay for the tussles. See you there!

As an actor, Jimmy always seemed to have problems knowing what to do with his hands. As a radio personality he seems to have problems keeping his hands off his junk but as a writer his hands are

doing just fine swiping at all that seems wrong in Jimmy world, sheltering his boyish face from the monster rain and occasionally swatting stupid Vos in the Nogin. Jimmys first foray into the literary world is a hit from page one and after a few hours reading time one is left flacid with a sore rib cage and a full hog waiting for Steve Carlissi to come over and massage the swinging pendulum between your legs. With a sexy cover as an added bonus all thats left is to wish Jimmy good luck bro! GRRRRR at the competition as our L'il cutie pie arrives on the Hoo's Hoo list of NY comedic literary talent. A happy ending indeed! Meow!

Tolstoy, Hemmingway, Kafka, and now adding another name to the ilk of these great writers, Norton. This book is phenomenal. Lil Jimmy is the greatest. Who else but him can make AIDS and kid touching warm our hearts. I say that this meaty-breasted zilch is my hero, and if you can find the time Jim, i'd love to go under the porch with you and get a little meep meep...give me those ribs you.
