# Rehearsing The Band

## Synopsis

(Meredith Music Resource). This book provides one huge "room" where everyone can gather to ask questions on the art of rehearsing and listen to answers from people who know. In his foreword, Frederick Fennell says, "If you are a conductor, or are in training to be one, or are confused about how it's going, this book is all about you and me." It includes chapters by Frank Battisti, Eugene Corporon, James Croft, Donald R. Hunsberger, Jerry F. Junkin, Craig Kirchhoff, Allan McMurray, H. Robert Reynolds, James Smith, John Whitwell, and John E. Williamson. [Click here for a YouTube video on Rehearsing The Band](#)

## Book Information

Paperback: 112 pages

Publisher: Meredith Music; 1st edition (December 1, 2007)

Language: English

ISBN-10: 1574630938

ISBN-13: 978-1574630930

Product Dimensions: 6 x 0.3 x 9 inches

Shipping Weight: 8 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars [See all reviews](#) (10 customer reviews)

## Customer Reviews

This book is tremendous. I am a middle-school band director and the things I learned in this book are great! It's like sitting in a room with all stars like Eugene Corporon, Jerry Junkin, H. Robert Reynolds, et al, with them telling you their secrets to great rehearsals! It's extremely practical stuff: "Say this..." "Do this..." I've read it once and I'm about to pick it up again over the summer to keep the ideas fresh in my mind. I think a band director of any level, from rookie to veteran, will benefit tremendously from this book.

The book is a compilation of from several well known college directors. Even though most are college level, you can apply their tips at the elementary or middle school level. Even though I have been doing the job for 40 years, I found good tips from these outstanding people.. This is a MUST

HAVE for the upper division music ed student, student teacher or young band director. For the veteran director it is still a fine reference tool and well worth the cost. It is a book that you can read easily, put down for months and just pick up with another chapter by one of the other directors. A bonus is the literature section, Each author was asked to submit their top 10 pieces in grades 4, 5 & 6. Interesting to see the similarities AND differences.

As a band director it was exciting to read and hear from some conducting greats. I gleaned a lot of good ideas as well as was confirmed on some things I do in my classroom. I highly recommend this book to all new band directors as it will provide you with years of insight. I also recommend it to band directors like me who have been in the field for a while as a refresher course. It will bring new life to your career!

This book is a good combination of conductors who have had real life experience. Rehearsing the band is a good book with ideas that can be incorporated into a band class. However, many of the concepts are for high school bands. I just cannot see using a lot of these ideas with a middle school band.

This book is chock full of observations and conversations with extremely knowledgeable Band Directors. Almost all of the chapters say the same thing: tone, intonation, rhythm, etc., but instead of being repetitive it comes across as emphasis... Keep the most important thing, the most important thing. Rather than a collection of techniques to use, it is a fine tuning of how one should think on the podium. A good book to help focus your approach.
