This is the perfect treat for Minecraft enthusiasts like me. The book is simply amazing and one that satisfies the much-needed humor for addicted Minecraft players. Awesome!

So when I was reading this, I noticed it was funny... now see, I am depressed so I don't laugh much. So this was very funny. I recommend this book for everyone

Not really worth the time to read it for free, the cokes were bad the pages were plastered with meme jokes and the jokes don't make sense unless you play minecraft

I play Minecraft as a casual game in my leisure and these jokes were so tongue-in-cheek I was

laughing over every single line I read! You don't even need to be a Minecraft fan to appreciate all the jokes. 5 stars for the laughter. Awesome! Although the book appears to be short, it is a pretty satisfying read.

My ten year old enjoyed the jokes. However the problem is that the pictures are not very good, and one of them has a stick figure saying swear words.

Even though the book is short it has some good jokes and the meme's were a nice addition. My brother got a kick out of the, "why do minecraft players not turn off the light at night?" joke. Overall, a short but humorous collection of minecraft jokes.
